STANDERTON.

TO WHOM IT CONCERN :-

This is to certify that during the last seven years I have known Mr. Robert Mangiliso Sobukwe first as a student at college and later as my first assistant.

Mr. Sobukwe was appointed to his present post in January, 1950. Since that time he has been in charge of our Junior Certificate class. His work as a teacher has been outstanding. He has during all the time that he has been working here been one of the pillars of the School.

Mr. Sobukwe is, as far as I know, a born African gentleman, cultured and with all the qualities that one would expect to find of one who has attained his standard of education. Not only have I found him subordinate to those in authority over him, but have also found him cooperative and one who will go out of his way to get the task given him done properly and to the best of his ability. His influence over the students and pupils has at all times been very good and this may be attributed to his character which is above all else, I think, a credit to his parents.

Mr. Sobukwe now wishes to serve his people in other and higher spheres. Whilst it is my pleasure today to write this testimonials, it gives me pain to think that one like, or nearly like him, will be very difficult to find. Nevertheless we wish him every success in his new career. Without fear of contradiction I recommend Mr. Sobukwe for appointment to any post that needs a sober, steady, reliable and hard-working
