Comment on events by Kaungire.

"There was a time when FH
produced a type of young man
who was philosophically apprehensive
about the teaching of Lenin's
theory. This gave FH a
reputation of being a hot-bed of
communism. The appellation was
somewhat unfortunate because
communism did not appeal to
every student. But that fact
when it appeared because its
ardent advocates were outside FH..."

* "But since that time
have changed. To also have spread.
A new type of young man is
coming out of FH. He is imbued
with a feeling of National
pride. He is a 'Native'. No
one can say per se that
democratic FH is going to stand
this. It would appear that this
great 'Native' College is not
very keen to produce educated
men and women in need of
Review. It would appear that

N/Kon AWC Changin

intention is to produce a more
polished type of 'Native' Good-bay...
"Let our young people men &
women think freely about their
needs freely & speak their minds
freely."

May 28 - Mda: Africa National: is
it a museum? In reply to a
editorial on Apr 23, suggesting
another name should be suggested
because of bad odor created
by phrase "Africa National":

4/6/49 (- FARR, in response to
overwhelming majority of all people in
N. M. M. It is understood
concerned that M.M.F. will not reduce
the incidence of unemployment.

19/11/49, Pg 5: Cancellation of Mendelsohn
permit. "N. M. M. C."
has joined with the S. M. M.
is probably the of interest. "N. M. M. C."
permit of the Africa student at the
University of the West, E. Mendelsohn
from Portuguese East Africa. The
M.C. is concerned that the steps
taken by the M.M. are a
deliberate attempt.

Inkunda, 2/6/48.

editorial: "Africa belongs to
African leadership."

"The results of the celebration
have brought us as a community
to the fact that we are we. We
must now say one & for all
time while we shall remain
so, a free man & woman. A
considerable number of the African
population has voted against the
policy of oppression & Africa.
And now we must ~~decide~~
turn to ourselves & decide now
what we shall do.

"On the whole race is in a
grave crisis: but it is self-evident
how as well. The stake of our
our leadership & the consciousness of
our people are being tested."
