JOHANNESBURG.

Dear Mr. Feldman,

Thank you very much indeed for the articles which you sent me a short time ago. I have read them with interest and agree that there is a considerable need for "constructive rationalism". Some time ago the Institute sent to the Prime Minister a "Minimum Constructive Programme for African Development", for we felt that there was a very great need for a lead to be given in this direction, especially as race relations are deteriorating so badly. The two major political parties are avoiding the real issues, and while this may be excellent party politics, it is not good race relations.

I enclose for your information a copy of our "Programme" and hope that you will find it useful.

With many thanks,

Yours sincerely,

Quintin Whyte,  
DIRECTOR.

Dear Sir,

I enclose a copy of a letter addressed to the Prime Minister of Southern Rhodesia giving our Party's views on the proposed federation of the Central African states. We feel that your organization would find it of interest.

Yours faithfully,

D. ZELTER.
ACTING GENERAL SECRETARY.
