Learn the Rules

LEARN THE RULES
You all know why corner kicks are given, but do you know that the ball can be placed anywhere within the marked quarter circle. That means it can be placed on the line. But you must NOT remove the corner flag, if the ball rebounds to the kicker from the goalpost he must not kick it again.

LEARN THE RULES. Here is a penalty problem that seems to puzzle some of you. From the penalty spot the ball strikes the crossbar and bounces back to the kicker, who promptly cracks it straight back into the net. Is that a goal? No it isn’t! Law 14 says that a player taking a penalty kick must not play the ball a second time until it has been touched by a second player. But if the goalie saved the penalty and the ball bounced back to the kicker, he could then slam it back into the net and a goal would be scored.

LEARN THE LAWS. From a goal kick the ball must travel outside the penalty area before it is in play. So if a defender passes back to the goalie inside the area it’s no good.

LEARN THE RULES. When a ref awards a freekick and then holds up his right arm he is signalling an “indirect” kick. Which means that the ball must be touched by another player, other than the kicker before it can produce a goal.

LEARN THE RULES. Did you know that a captain winning the toss can decide to kick off instead of choosing ends? But he can not do BOTH — kick off AND choose ends.

THE AMRIT BHOWAN MEMORIAL TOURNAMENT FUND REPORT OF THE AUDITORS

In our opinion, the above accounts give a true and fair view of the state of the fund's affairs at 8th September, 1969, and of the excess of Income over Expenditure for the period ended on that date.

We examined the books, accounts and vouchers and obtained all the information and explanations we required. In our opinion proper books were kept and the accounts are in agreement with them.
