Sir,

Last month I wrote you ~~about~~ three out-standing facts. (see 15-2-19)

- (a) about the chiefs accounts in Johannesburg.
- (b) " the Barolong message from England.
- (c) " interpretation <sup>for</sup> in Hae Shortong

although these were better said by word of mouth I tried to put them straight and specifically in my letter, and I was ashamed and very disappointed ~~for~~ your not ~~replying~~ replying, yet there were promising words <sup>of that nature</sup> if they could be driven by aggression, do the Barolong, <sup>like</sup> <sup>between you and England?</sup> <sup>from you.</sup> England that they would just take any-agreement, <sup>between you and England?</sup> <sup>from you.</sup> about the interpretation it seems as all will be fine, but to make it really work we should pretend as if all the Batswana agreed on the same point.

There is a hell of working. It seems fever is <sup>back</sup> back again, Richard - Moganaga, Ngoetsi (daughter-in-law) and Saindy are down, which means that I am without my hands (or my hands are cut) on the Saindy's ~~side~~ side. I have simply to do everything myself. Mrs Richard M'bellé is here. Please reply. The ~~Ac'~~ Ndabete of Colony (Cape) are shaking and preparing themselves for the conference we are the only culprits because of our lagging behind. Our own children not going to laugh at us <sup>if</sup> these things would be read by <sup>us</sup>
